*We have built a make-up day into the 2021-2022 Academic Calendar. If we are forced to have an emergency or weather related closure, these closures may be taken away and utilized as instruction days.

1. Monday, April 18, 2022 - if we have TWO emergency or weather-related closures, this closure will be canceled and utilized as a full day of instruction.

Any changes that need to be made to the Academic Calendar due to emergency or weather related closures will be sent to all families via email as the changes occur.
